Let's Grow Older Together

Senior Center Mission

Enriching the lives of older adults.

Volunteer Role: Village Leader

A new and developing program of the Vashon Senior Center, the Villages on Vashon will extend the joy, reliability, and sense of community of the Center beyond the walls of our Bank Road location into the community – so we can all grow older together. Pilot Villages are being coming together in several neighborhoods: Town, Gold Beach, Dolphin Point, Lisabeula, Dockton and more... maybe yours.

What You'll Do

As a Village Leader, you'll be curious about the Village Movement, keen to champion it, enthusiastic about bringing a sense of connection to your community and have an interest in serving as a liaison between your neighbors and the Vashon Senior Center Villages Program Manager.

Where & When

Village Leaders will meet periodically and informally, via Zoom and in small groups in accordance with public health guidelines related to the COVID-19 pandemic.

Time Commitment

Meeting twice monthly, augmented by staying in touch via email and telephone. Timeline for this role: At least 3 months, beginning as soon as July 2022.
